THE SLOWNESS OF WISDOM.....

Whatever I speak, just as the Father has told Me, so I speak.

—[John 12:50](#)

When the Pharisees came to Jesus with the woman caught in adultery and asked Him what should be done with her, He knelt for a moment and scribbled in the sand ([John 8:6-11](#)).

We have no idea what He wrote. But when they continued asking Him, Jesus responded in one short sentence: **“He who is without sin among you, let him throw a stone at her first”** (v.7). His few words accomplished much in confronting the Pharisees with their own sin, for they walked away one by one. Even today those words resound around the world.

Jesus had such a closeness to and dependence on His Father that He said of Himself, **“Whatever I speak, just as the Father has told Me, so I speak”** (12:50). Oh, that we had such a relationship with our Father that we knew how to respond with His wisdom!

Perhaps it begins with obeying James’ challenge to be **“swift to hear, slow to speak”** (1:19). This is not the slowness of ignorance, emptiness, timidity, guilt, or shame. But the slowness of wisdom born of dwelling quietly on the Lord and His thoughts. We’re often told to stop and think before we speak. But I think we should take it much further and live a life where we’re always listening for God’s wisdom.

Lord, grant that we may hear You speak;
For truth within our hearts we seek;
For unto Christ we would be true
And know what He Himself would do. —D. De Haan

Listen TO God before you speak FOR God!

PRAYER REQUESTS - Please pray for the people of Pakistan as they are still suffering the consequences of flooding. Please pray for protection against the illnesses being caused by lack of clean water. Pray that aid will reach those who really need it.

Pray also for the miners in Chile who are trapped deep underground. Please pray that God will strengthen them and encourage them to keep going despite very difficult circumstances.

A CHANCE FOR YOU TO SERVE.....

Have you ever been blessed by the worship in our services?

Have you ever been more amazed that the words for the songs appear at the right time?

Have you ever been even more amazed that the Bible verses appear during the sermon?

This is not only because we have some very talented musicians but because we have a dedicated team at the back of the church working hard in each service controlling the sound and operating the projector. They too are a vital part of the worship team, making it possible for everyone to enter into God's presence.

THIS TEAM NEEDS YOUR HELP PLEASE!!

If you are interested – talk to any of the guys at the back – they would be happy just to let you sit with them in a service so that you can get an idea of what is needed. If you do decide to help, full training will be given.

We also need people to record sermons on a Sunday to go on the Website – this is a very easy process to learn! Talk to any of the guys at the sound desk.
