LIFE IS LIKE RIDING A BICYCLE

In a letter to his son Eduard, Albert Einstein gave this advice: “Life is like riding a bicycle. To keep your balance you must keep moving.” The great physicist’s advice is wise and practical.

This wise counsel can apply to the Christian life. Many believers by faith keep moving ahead through painful and trying circumstances. But when they experience a personal moral failure, they lose their balance and fall. Their regret and feeling of unworthiness of God’s forgiveness may then keep them down and they no longer move ahead in their spiritual life.

The Bible gives us many examples of those who have experienced serious personal failure. Abraham lied to Pharaoh about his wife, Sarah ([Gen. 12:11-17](#)). Jacob deceived his father to acquire Esau’s blessing ([Gen. 27:18-29](#)). Moses disobeyed God by striking the rock instead of speaking to it ([Num. 20:7-12](#)). Despite their failures, we are told: “all these . . . obtained a good testimony through faith” ([Heb. 11:39](#)).

These biblical characters are lifted up as examples because after they fell, they turned back to God and began to follow Him again. Have you lost your spiritual balance through a sinful choice, which is keeping you down? Repent and follow the God of second chances once again.

**I’ve strayed, O Lord, and turned aside,
I’ve disobeyed Your voice;
But now contrite of heart I turn
And make Your will my choice. —D. De Haan**

Our God is a God of second chances.

WEEK OF PRAYER AND FASTING

As a church, we will be having a week of prayer and fasting starting on Sunday 23rd January and ending on Sunday 30th with a church breakfast at 8.30am to which you are all invited. We will be holding prayer meetings at the church each evening (more details to follow).

Let’s stand together united and pray and seek the Lord for the future of our church. We are told in the Bible to “pray without ceasing” and as a fellowship it’s good to do this from time to time. Please also seek the Lord about fasting. This should only be done if you are medically fit to do so. If you are unsure, please seek medical advice before fasting. There are many other ways that you can “fast” without having to go without food.
